

We thought it might be an interesting idea to feature a video taken from either Elixir's lengthy career, or Midnight Messiah's catalogue, and place it in the spotlight for a month on the new [Video of the Month](#) page. There will be a short story behind the video, along with the link to view. We hope you find it interesting, informative and enjoyable. Please click on the videos link on the menu on the right every month to see a new video featured.
