

Midnight Messiah - Photo Slideshow - Metal Wave UK October 2013

Both Sally Newhouse & Keith Newhouse took some amazing photographs of Midnight Messiah's performance at Metal Wave UK on October 5th 2013. We thought the shots were so good that they deserved to be seen. Therefore we have put together a photo slideshow of Sally & Keith's work set to the track 'Thirty Pieces of Silver' taken from Midnight Messiah's debut album 'The Root of All Evil'.
